

To our Valued Customers:

We have taken steps to make it easier for you to order by mail.

Simply use our shopping cart as though you were placing a credit card order. At the end, as you check out, select “check/money order” as your payment method. This will allow you to get an accurate total of your order as well as to notify us that your payment is coming. We will hold your merchandise aside for 10 days until we receive your payment. Ordering in this way will allow us to notify you if an item is not currently in stock so that you can decide how you would like us to proceed.

Once you have submitted your order, you will be given an order number. Please **write this number in the “memo” section of your check** and then mail it to:

Catholic Home
PO Box 151
Palenville, NY 12463

for the quickest processing of your order.

Checking out online will give us your contact information so that we can communicate with you quickly and effectively.

Thank you for shopping with us! Please don't hesitate to let us know if you need additional assistance.

God bless you, Mary keep you,

The Catholic Home Family
